## Yeti Premium Cooling Towel - Tube

Incredible towel manufactured from a 50/50 blend of nylon and polyester. Premium cooling towels have 50% nylon content and will cool faster than similar products made from 100% polyester or Dacron. Nylon fibres completely repel water which evaporates much faster when it contacts them. Yeti will cool up to 15 degrees below the outdoor temperature in seconds by harnessing the power of this rapid evaporation. To activate it, simply wet the towel, wring it out and snap it tight to remove excess water. The chemical free cooling will last as long as the towel remains wet.

Measuring 28cm in length when closed, Genie makes the ideal travel companion. Simply push a button on the handle and Genie automatically opens & closes. This umbrella also features a colour co-ordinated handle, matching pouch, as well as air vents which allows wind gusts to pass through the canopy, protecting the frame from damage.

Colours: Blue, Red, Navy, Black

Size: 28cm closed length, 21 inch/55cm, 8 ribs

Branding Options: Pad Print • Single Colour Transfer (on pouch)

• Full Colour Transfer

### AUTOMATIC OPEN & CLOSE FUNCTION

## Blizzard 30" RPET Golf Umbrella

Looking for an eco-friendly 'top of the range' 8 panel RPET umbrella that will stand up to the elements, then look no further. Blizzard 30" RPET Golf Umbrella uses an eco-friendly RPET canopy which is made from recycled plastic bottles, making it a sustainable and eco-friendly option. This premium grade umbrella features a super-tough yet flexible all-fibreglass frame designed to protect you in the most ferocious of storms. It also incorporates a wind proof vented canopy, netted interior (to prevent canopy distortion), non-slip rubber tip, automatic open function, two extra wide velcro ties, a matching RPET pouch with carry strap and rubber-feel "gripper" handle.

Colours: Black, Navy

Size: 30 inch/76cm ribs

Branding Options: Screen Print • Full Colour Transfer

Introducing our ...

# MERCH MANAGEMENT PROGRAM

We use advanced IT systems to keep your promo life hassle-free. Our Merchandise Management Program is here to take the stress out of micro-managing your Promotional Products.

This is a unique, innovative and easy to use method of managing your merch, from beginning to end.

With our Merchandise Management Program you get complete control over your promotional products.

We are here to take the stress out of managing your merchandise from product selection right through to free warehousing and delivery, ultimately saving you time, resources, money and space!

Additionally, by using our program, you are protecting the integrity of your brand in a controlled and secure environment.

# How will it benefit you?

- > Get Smart sets up an online store for you and handles all the administration, saving you labour costs and time.
- > You get complete control over who uses your merchandise, how much and when, with tiered levels of access and pricing controls.
- > You save valuable storage space and costs, as Get Smart provides FREE Warehousing for all your goods. (\*conditions apply)
- > Because your goods are already decorated and in our warehouse, they are available whenever you need them.
- > Comprehensive reports are available 24/7 on: stock levels, who used what products when, where products have gone, how much was spent and much more.
- > Get Smart will coordinate all distribution of your goods for you, to one or multiple locations, reducing your freight costs and time.
- > One simple invoice for freight and handling charges are invoiced monthly.
